

## **APPENDIX F                    DAC Commissioners Cup Procedure for Selection**

Points will be awarded in the following manner:

Points are awarded by giving the winner of each title in a Conference-sponsored championship points totaling the number of teams in that sport plus one. The next place finisher receives points totaling the number of teams less the number of places from first place. Ties at any level shall result in the totaling of points and distributed equally.

The team with the highest total points will receive the DAC Commissioners Cup. Only the sports that have at least one-half or more of the Conference member institutions participating will be included in the calculations.
